Job Title: Pathologist

Company: Yosemite Pathology Medical Group, Inc.

Location: Modesto, California

Full Time/Part Time: Full Time

Permanent/Temporary: Permanent

Employment/Contract Work: Employment

Yosemite Pathology Medical Group, located in Northern Central California, is seeking a Pathologist for a full-time position.

Comprised of twenty-three (23) Board Certified pathologists, we are a general anatomic pathology specialty practice with board certified sub specialties in dermatopathology, cytopathology, molecular pathology, and hematopathology. Services have been provided to hospitals and physicians throughout Central and Northern California since 1948.

The successful candidate must be an experienced pathologist with 3-5 years of experience in a hospital setting and clinical lab experience or training. Dermatopathology experience is preferred. Ideally, this candidate would be available to start as soon as possible.

As a prerequisite for hiring, the candidate must have a California Medical License (or in the process of obtaining one) and will be board certified in Anatomic Pathology and Clinical Pathology. Compensation is highly competitive and commensurate with experience. Benefits (i.e. Travel reimbursement, 401(k) plan, and medical reimbursement) are superlative. Permanent residence within thirty (30) minutes of the Modesto area will be required. Relocation and signing bonus package are negotiable.

If interested, please submit your curriculum vitae to:
